## **VASECTOMY SCHEDULING INFORMATION**

- PLEASE NOTE THAT YOUR VASECTOMY WILL NOT BE SCHEDULED UNTIL YOU CONTACT THE SURGICAL COORDINATOR. This is done to ensure you have confirmed your work schedule assuring time off to recover. You can reach our surgical coordinators, Adrienne or Rosa D. @ 732-692-2235.
- The weekday/site of your vasectomy is determined by your insurance coverage. Mondays are at OB Division Raritan Bay Medical Center, Tuesdays are at Perth Amboy Division Raritan Bay Medical Center, Thursdays are at Mediplex Surgery Center and Fridays are at Same Day Surgery Center of Central Jersey. We work to do anything we can to accommodate your schedule, however we are bound by the constraints of the insurance company.
- Please call the BENEFITS department of your insurance to see if you are covered for diagnosis code V25.2 and procedure code 55250. This is DIFFERENT from “pre-certification” which is obtained by our office.
- About 3-5 days after your vasectomy you will need to come in to the office for an incision check. Please call our office to schedule this appointment so we may have your records available.
